File 10: Kowloon Express (2)

Receiving!  
We're catching  
some static,  
but it's not  
a problem.

THIS IS  
BRAW!!  
CAN YOU  
HEAR ME,  
KING II?

EVERYTHING  
DEPENDS  
ON YOU.

I KNOW  
YOU'RE  
GOING  
ALL OUT.

MARE:

INCREASE  
GROUND SPEED TO  
EIGHTEEN KNOTS.

NOTICE TO  
ALL DIVISION  
PLATFORM  
COMMANDERS!

GOOD  
LUCK,  
MARE!!

You've  
cleared  
Q Point.  
Let's  
pray for  
success.

MAINTAIN  
CURRENT  
ALTITUDE.

I'VE BEEN INVESTIGATING  
THIS FOR OVER EIGHT YEARS.  
I DON'T HAVE ENOUGH  
FINGERS ON BOTH HANDS TO  
COUNT THE NUMBER OF CAT  
REMPERS WE'VE LOST  
DURING THAT TIME.

COMMAN-  
DER...

IF I'D ONLY  
BEEN TEN YEARS  
YOUNGER, I COULD  
HAVE BEEN PART OF  
THE FLYING ATTACK  
FORCE...

THE  
KOWLOON  
EXPRESS  
HAS LEFT  
THE STA-  
TION!

THAT A GANG  
WOULD TRADE IN  
HUMAN ORGANS...

AT FIRST I  
COULDN'T  
BELIEVE IT.

AND  
SELL  
ALL THE  
FACTS...

BUT  
TO CUT  
UP A  
LIVING  
HUMAN

I CAN  
UNDERSTAND  
THE NEED FOR  
ORGANS IN GENU-  
INE MEDICAL  
RESEARCH OR  
TO SAVE THE LIFE  
OF A RELATIVE.

KILL A GIRL  
I PMP GOOD  
MONEY FOR  
AND THEN  
SELL THE  
PARTS?

THAT'S  
JUST GOOD  
SENSE.

I'D MAKE  
MORE MONEY  
DRESSING  
HER UP AND  
SELLING HER  
WILE SHE'S  
ALIVE.

YOU'VE GOT TO  
BE KIDDING.  
BETTER THAN  
KILLING HER.

WELL...  
TRUE...

YOU'VE  
OFTEN  
SAID THAT,  
GENNAE

BUT...IF SHE  
GETS PREGNANT  
THAT HURTS HER  
LOOKS...

MAINTAIN  
COURSE!!

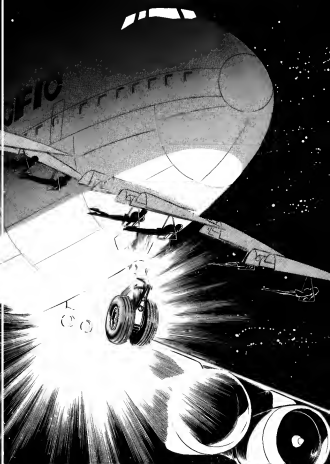

WE'RE  
CUTTING  
THROUGH!!

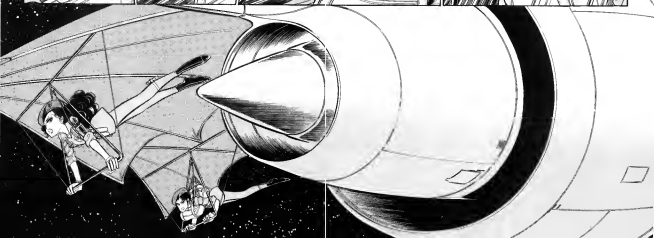

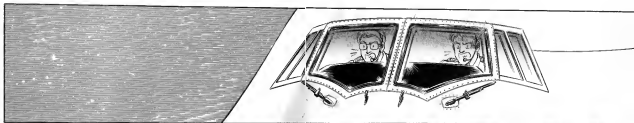

MAINT!!

COM-  
MAN-  
DER!!

CALL  
OFF THE  
WISSAGUT

PE-  
SCENT  
IN  
ONCE!!

WHAT?

ISLAND?

CONFIRMING  
OBJECTIVE!  
THAT'S  
SAN-LUNG  
ISLAND!

I'VE SPENT  
THE LAST MONTH  
FIGURING THIS  
THING DOWN!

YES...A  
MOVING ISLAND...  
AN ENORMOUS  
TANKER SAILING  
UNDER THE NAME  
SAN-LUNG.

THERE ARE  
A LOT OF  
ISLANDS IN  
HONG KONG  
BAY,  
BUT NOT  
ONE OF THEM  
IS CALLED  
SAN-LUNG.
